AIDS Awareness Rally

- **World AIDS Day** is observed every year on **1 December** to raise awareness about **HIV and AIDS**, remember those who have died, and support people living with HIV. It was first established in **1988** and is one of the key global public health observances supported by the **World Health Organization (WHO)** and **UNAIDS**.
- **AIDS Day Rally** is a public demonstration that usually takes place on **World AIDS Day** as part of awareness efforts.

Aims of Rally:

- **Educate** the public about HIV prevention, testing, treatment, and myths.
- **Fight stigma** and discrimination against people living with HIV.
- **Show solidarity** with affected individuals and communities.
- **Encourage public health actions**, such as safe practices and access to care.
