"Empowering Futures: Cultivating Skill Development and Entrepreneurial Excellence"
20th and 21st March, 2025
Organized by:
Department of English,
Dr. Patangrao Kadam Mahavidyalaya, Ramanandnagar (Burli)

.....
Introduction and Overview:

The Two-Day National Seminar sponsored by the Indian Council of Social Science Research (ICSSR), New Delhi, successfully brought together 316 participants from academia, industry, policy making and research institutions to deliberate critical issues related to skill development and entrepreneurial excellence. The event featured 10 expert-led technical sessions including presentation of over 73 research papers and extensive discussions that generated actionable policy recommendations.

ICSSR Sponsored Two Day Multidisciplinary National Seminar on "Empowering Futures: Cultivating Skill Development and Entrepreneurial Excellence" brought together experts, entrepreneurs, and students to share insights and experiences on skill development and entrepreneurship. The seminar provided a platform for knowledge sharing, networking, and inspiration. It highlighted the importance of cultivating essential skills and entrepreneurial mind sets.

Through Keynote speech, plenary sessions and paper presentation sessions, participants gained valuable insights into skill development strategies, entrepreneurial excellence, and innovation. The seminar emphasized the need for inclusive development, diversity, and creativity in entrepreneurship. The seminar inspired participants to pursue entrepreneurial ventures and make a positive impact. By fostering a culture of entrepreneurship and skill development, the seminar contributed to empowering futures and shaping the next generation of entrepreneurs and innovators.

According to the Wheelbox ETS India Skill Report, India's employability has risen by 7% among graduates, reaching 54.81% in 2025. The seminar focuses on exploring strategies for developing relevant skills in emerging industries, the best practices for fostering entrepreneurial mind-sets and creating successful businesses, innovation and technology, mentorship and networking and inclusive development.

Day 1 Proceedings (12th March, 2025):

Inaugural Session (11.00 am to 1.00 pm) –

The seminar commenced with ceremonial lighting of the lamp by the auspicious hands of dignitaries including Hon. Prof. Dr. Manisha Patil, Hon. Prin. Dr. M. A. Shaikh, Hon. J. K. (Bapu) Jadhav and Hon. Prin. Dr. U. V. Patil.

Keynote Address by Hon. Prof. Dr. Manisha Patil (Professor and Head, Department of English Yashvantrao Chavan Institute of Science, Satara & Director, Student Development, Kamaveer Bhaurao Patil University, Satara) :-

Topic: “Beyond Knowledge: Shaping Entrepreneurial Minds through Practical Skill Development”

Keynote speaker Prof. Dr. Manisha Patil Discussed on the following points:

- According to the World Economic Forum’s 2020 “Future of Jobs Report”, 50% of all employees will need reskilling by 2025 due to the accelerating impact of automation and technological advancement.
- Entrepreneurs today are not just business owners; they are innovators, risk-takers, who need a broad set of practical skills to succeed. This includes critical thinking, creative problem solving, communication, leadership, financial literacy, technical expertise, and most importantly the ability to learn continuously.
- The practical skill development cannot be overstated. Practical skills give individuals the ability to apply knowledge in real-world situation.
- A report by the Global Entrepreneurship education has higher levels of entrepreneurial activity. The study found that nations like Sweden and Denmark – where practical, experiential learning is embedded into the educational system- exhibit entrepreneurial activity rates of over 10%, far exceeding global averages.

Chief Guest’s Remark (Dr. M. A. Shaikh, Former Principal, Rayat Shikshan Sanstha, Satara) :-

- At the heart of entrepreneurship lies the ability to build and sustain relationships, whether with clients, partners, or employees.
- The future lies in fostering a culture of lifelong learning, where skills are constantly evolving, and entrepreneurs must continuously up skill and adapt.

- The future lies in fostering a culture of lifelong learning, where skills are constantly updated.
- Develop creative thinking and communication skills.
- Develop strategic thinking, financial literacy, decision-making, teamwork, and problem-solving.
