Date: 23/02/2025

**Geography Department  
Extension Activity  
Cleanliness Drive**

Geography Department and NSS Jointly conducted a Cleaning of the Ganesh Temple and Crematorium in Dudhondi village on Sunday 23/03/2025. An extension activity was organized between students and villagers to discuss how to achieve sustainable environmental development through nature, environment, resources and their conservation.

While cleaning the Ganesh temple and cemetery area in Dudhondi village, the importance of cleanliness was conveyed to the people in the area and awareness was created that if the area is unclean, infectious diseases spread.

The program was organized under the guidance of the respected Principal Prof. Dr. U. V. Patil Madam and the program was planned by Mrs. A. B. Madavi Madam Head of the Geography Department.

Outcome

- ✓ Awareness about the environment was created among the students.
- ✓ The concept of sustainable development of the environment in the student it

Beneficiary

20 Students
