The department of Physics organized Capsule course activity for B.Sc III students. The Capsule Course for B.Sc. III Year students was conducted with the aim of providing a concise and focused revision of key topics, enhancing conceptual clarity, and preparing students for final examinations.

Students reported improved understanding and confidence in key areas. Regular feedback sessions indicated high levels of satisfaction with the structure and delivery of the capsule course. The capsule course proved to be a valuable initiative in reinforcing the academic preparedness of B.Sc. III Year students. The department plans to continue and improve this approach in future academic year. The course emphasized core concepts, problem-solving skills, and revision strategies. Under the direction of Honorable Dr.G.R.Patil all of this work was carried out.
