**Best Practices- 2025-2026**

**1. Title of the Practice:** Extension Activity-Joyful English

**2. Objectives of the Practice:**

- A) To create an interest about learning English among the students.
- B) To develop the vocabulary of the students.
- C) To develop the formal as well as functional grammar.
- D) To develop the four basic skills of language with the help of the content in the textbook.

**3. The Context:**

The students need to be encouraged to listen, to speak, to read and to write English accurately and joyfully.

**4. The Practice:**

To encourage the students to listen, to speak, to read and to write English accurately and correctly. So that they should be confident while presenting them before the people, facing an interview. It is helpful to develop their vocabulary, knowledge, communication skills, enhancing other skills related to language. So to enable the student to learn English joyfully and to create interest about English with the help of various activities is the main aim of this activity.

**5. Evidence of Success:**

The present activity of Joyful English was conducted in Z. P. School No. 3, Ramanandnagar. The content in the textbook was taught by the faculty of Department of English. The students of our department also participated in this activity. They also participated in this teaching-learning process. The content was taught with the help of various student- centric activities. So the students of the school enjoyed it.

**6. Problems Encountered Resources Required:**

**Problems:** 1. Poor vocabulary

2. Decreasing habits of listening and reading English literature.

**Resources Required:**

- 1. The special efforts need to be taken to develop the vocabulary and to improve the knowledge of English.
- 2. The habits such as Listening English news, watching English serials and movies, reading English newspapers, books, magazines, articles should be developed. The exercises such as telling moral stories, solving puzzles in English, delivering a speech in English, poetry recitation should be taken in schools.
