Field Visit to Sisal Goat Farm (MOU Activity)

2024-25

REPORT

Department of Zoology has conducted the field visit to Sisal Goat Farm. The main purpose of this field visit is gaining much attention on economical point of view because of milk, meat and hide source. The product of goat has high market value. The meat of goat is rich source of proteins and also fulfills the nutritional needs of human.

During this period the lectures and practical were conducted by faculties. During this course the students get knowledge about the goat farming. Students were sincerely attended and get hands on training experience in goat farming.

Our department has organized a field visit to "Sisal Goat farm" at Gondilwadi for academic year 2024-25 on 1 Jan, 2025. The students of B. Sc. III along with the faculty member have visited to field. The goat farming Center is enriched with various species of goats such as- Sanen, Jamunapari, Barberi, Osmanabadi, Beetal, Sirohi etc. In this center, goats are reared scientifically. The students have studied various aspects of goats such as morphology, behaviour, milk production, breeding of goats. This study will helpful for the

students to establish their own goat farm center and will be beneficial as their earning source.
