Study Tour-2024-25
Report

Date: 07/02/2025

An educational tour based on syllabus was held by department of mathematics of our college for two days to the Raigad Fort on 05/02/2025 to 06/02/2025. In this study tour 09 students of B.Sc. 1, B.Sc. II and B.Sc.III year of Mathematics department were participated.

The educational study tours are useful to increase the cultural, natural and scientific knowledge of the students. In these study tour students studied working of wind mill at Chalkewadi.Chalkewadi Wind Energy Project in Satara was developed with the intention of generating clean energy. There are hundreds of windmills on the adjoining hills. The windmills are stretched over a 5 km plateau and supply electricity to Satara and neighboring places like Mahabaleshwar and Panchgani. Chalkewadi is developed as a tourist spot, because the windmills and the hills offer a magical landscape together. Thoseghar waterfall can be seen from Chalkewadi.

Outcomes:

1. Students exposed to new experience and historical environment.
2. Developed cultural, Scientific and natural Knowledge among students.
