

Department of Geography

Extension Activity “School Connectivity Program”

REPORT

The Geography Department of Dr. Patangrao Kadam Mahavidyalaya, Ramanandnagar (Burli), organized the “School Connectivity Program” dated on 02/04/2024. In today’s digital age, connectivity has become an essential tool for education. The government of India has initiated various programs to improve digital literacy and connectivity in schools. As part of this initiative, our team visited to the Swami Ramanand Vidyalaya & Jr. College Ramanandnagar.

This report presents and highlights the challenges and opportunities in school connectivity.

Aims:

- To provide digital literacy among the students.
- To enhance the quality of education through technology.

Beneficiaries:

40

Conclusion:

The school connectivity Program has made significant progress in improving digital literacy in the school. However challenges persist and continued support and expand the program.
