A Report on Teacher's Day

Date & Time: 09th September 2025, 11.15 AM.

In India ,5th September is celebrated as Teacher's Day as a mark of tribute to the contribution made by teachers to the society. 5th September is the birthday of a great teacher Dr.Sarvapalli Radhakrishnan, a staunch believer of education and a well-known diplomat, visionary, statesman, scholar, President of India and above all the perfect teacher.

In 1962, when Radhakrishnan became the President of India, he was approached with a request of celebrating his birthday. He said," Instead of celebrating my birthday, it would be my proud privilege if this day is observed as Teachers' Day. This showed his love for the teaching profession. From then onwards, this day is celebrated as Teachers' Day in India.

Teachers mold the lives of the students by guiding them, by enriching their personalities, by imparting ethical and moral values and have more influence on them. Teacher's Day is celebrated with great enthusiasm in many parts of the World. The day is indicated to the teachers with the sense of respect, appreciation, encouragement and support for their devotion to their students.

Teachers play a major role in making their students responsible citizens of tomorrow and good human beings. Like every year, this year also the Professors and Faculty were invited to celebrate Teachers Day. Students greeted teachers with flower pots, fostering an environmentally friendly gesture.

In the academic year 2025-26 the BCA department celebrated Teachers day on **9th September 2025**. The whole function was planned by faculty of BCA department. We decided that the responsibility of teaching taken up by the students as an appreciation for their teachers. Total number of participants in teacher's day are 07. Students have prepared time table of lecture and practical for BCA-II and III from 11.15 a.m. to 4.00 p.m. Student went to class to deliver lectures.

On this day, our teaching was started as usual on 11.15 a.m. All other non-participated students were also studying seriously without making any noise or mischief. All participated students were appreciated by giving pen as our token of love.

Outcomes

- Students learn how to explain complex ideas in simple ways.
- Builds public speaking and presentation skills.
- Students realize that teaching is not easy—it requires patience, clarity, and preparation.
- Leads to greater respect and appreciation for teacher

Beneficiaries: 50
