Study tour report

2023-24

The department of Physics in collaboration with IQAC had arranged two days educational tour for B.Sc. II and III rd year students dated 31-01-2024 to 01-02-2024. As per guidelines by BOS of Physics it is mandatory to organise study tour for B.Sc. III students.

For this tour there were total 31 (23-II year and 06-III year) students and 03 teachers participated. The route of the tour was as Ramanandnagar-Satara-Chalakewadi-Wasota-Ramanandnagar.

On the first day of trip student visited to Chalakewadi windmill project and they studied working and mechanism of windmills. The halt for day 1 was organised at wasota. On day 2 student visited to Datta temple, Wasota fort, Munawale water fall via boating. Student studied the environmental issues of Koyana dam and how back water of dam was reused for tourism purpose.

The educational study tours are useful to increase the cultural, natural and scientific knowledge of the students. In wasota students explored natural diversity and heritage of environment.

Outcomes	Beneficiaries
1. Developed cultural, Scientific and natural Knowledge among students.	32
2. Students Exposed to new experiences and environment.	

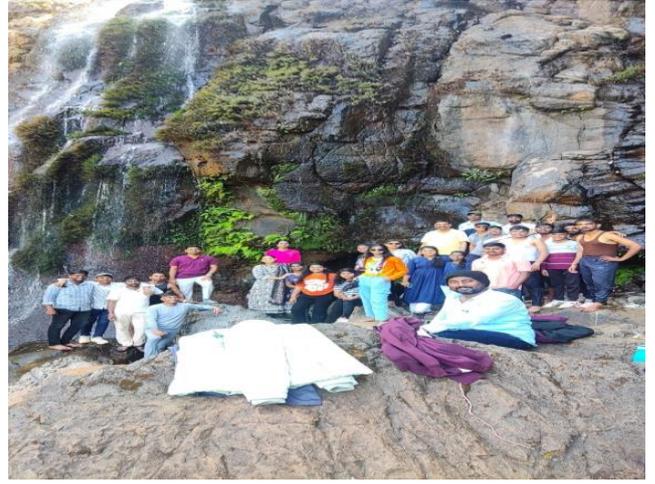

Koyana Dam back water

Students Enjoying boating

Chalakewadi Electric Energy Power Plant

At Munawale Waterfall
