Diagnostic Test Report

Date: 17/08/2024

Date of Test: Saturday, 10th August 2024

Conducted by: Department of History

Mode of Test: Online

Objective of the Diagnostic Test:

The purpose of the diagnostic test was to assess the overall knowledge of History among the B.A. 1st year students. The test aimed to identify the advanced and slow learners in the class, so that appropriate support and coaching could be provided based on the individual needs of each student.

Test Details:

- **Total Number of Students in History Department:** 51
- **Total Number of Students Appeared for the Test:** 37
- **Criteria for Classification:**
 - Students scoring **above 50%** marks are classified as **Advanced Learners**
 - Students scoring **below 50%** marks are classified as **Slow Learners**

Results:

- **Advanced Learners (Above 50% Marks):** 27 students
- **Slow Learners (Below 50% Marks):** 10 students

Conclusion and Actions Taken:

Based on the results of the diagnostic test, students have been classified into two categories: advanced learners and slow learners. The department will now proceed with providing specialized coaching for both groups:

- **Advanced Learners** will be provided with opportunities for further enrichment and development in History.
- **Slow Learners** will receive additional support and remedial sessions to help improve their understanding and performance in the subject.
