

Dr. Patangrao Kadam Mahavidyalaya, Ramanandnagar (Burl)

One-day workshop on Disaster Management

Report

The team from NDRF Sangli, comprising of 15 personnel under command of Inspector Sushant Kumar Sethi, conducted a disaster management training workshop on 06th August 2025 at our Rayat Shikshan Sanstha's Dr. Patangrao Kadam Mahavidyalaya, Ramanandnagar (Burl) by the Disaster Management Committee, National Service Scheme, National Cadets Corps in collaboration with Sou, Laxmibai Bhaurao Patil Kanya Vidyalaya, Ramanandnagar, Swami Ramanand Vidyalaya, Ramanandnagar and Internal Quality Assurance Cell.

The NCC unit of the college offered a guard of honour to the NDRF Team on their arrival. The workshop commenced with an inauguration ceremony. Honourable Principal Dr. U. V. Patil greeted the NDRF team with a bouquet and a book. Command of Inspector Sushant Kumar Sethi addressed students and highlighted the importance of Safety tools and skills during the outbreak of a disaster. During the drill, the team showed different techniques to tackle the disaster situations during the time of Natural & Manmade calamities using ropes and cribs to escape from heights, with proper presentations and demonstrations. Students as well as the audience were fascinated by the stunning drills shown by the NDRF team. In the second session, the team demonstrated various strategies to rescue from fires, medical aids, and techniques like CPR, etc. During this training, students were made familiar with different techniques like school safety, first aid, fire control, heat waves, flashing lightning disasters management, Blood Control, CPR, Snake Bites, and rescue operations, etc. The team has handed over a Disaster Management Kit with various types of accessories. Hon. Principal Dr. U. V. Patil expressed a presidential remark.

Dr. Ashish Sartape offered a vote of thanks. The School Safety Programme organized for the students and teachers was very fruitful in equipping them to face calamities with confidence to save their own and others' lives.

Program Outcomes:

1. Students were trained to rescue and assist in rescue operations during natural calamities.
2. Role of youth in handling and hence reducing losses due to disasters was highlighted.

Beneficiaries

Hon Principal Dr. U.V. Patil felicitating the command of Inspector Sushant Kumar Sethi from the NDRF team. NCC cadets, NSS Volunteers, as well as faculty, participated in a demonstration of drills and experienced the thrill of rescue
