Department of Economics  
Industrial Visit

Dt. 29<sup>th</sup> Jan 2025

In the academic year 2024-25, the Department of Economics visited to krantiagranii G.D.(Bapu) Lad Co-operative Sugar factory Kundal at 28th January 2025. This activity is for the syllabus of B.ComIII Semester –V. The title of the topic is India@Maharashtra SugarFactory inShivajiUniversity Kolhapur.

The objective of this field visit is to understand the role of sugar factory and challenges in current stage of sugar factory. The students enabled to know the water management system with the help of rainwater harvesting system.

In this field visit we examine the PH of the soil with the help of Soil Testing Laboratory. Total number of students participated in this visit were 24. The Principal our college Prof. Dr. U. V. Patil guided and motivated us. The Head of the Dept. Prof. P. B. Patil also guided us. So we thank to both of them.

Objectives:

- Student knew technology in sugar factory.
- Students knew machinery and land PH.
- Students knew the application of the rain water harvesting.

Beneficiaries: 24
