Report on
'De-addiction awareness program 2026'

19th June 2026

Dr. Patangrao Kadam Mahavidyalaya, Ramanandnagar (Burli), National Service Scheme (NSS), NCC, in collaboration with the Internal Quality Assurance Cell (IQAC), organized a Guest Lecture on "De-addiction Awareness" on 19th June 2026 as a part of the "Drug-Free, Addiction-Free India Campaign 2026." The objective of the programme was to create awareness among students about the harmful effects of drug abuse, tobacco, alcohol, and other addictive substances, and to motivate them to adopt a healthy, disciplined, and addiction-free lifestyle.

The programme was organized under the guidance of Principal Dr. U. V. Patil. The resource person for the programme, Mr. Daunde S. S., delivered an informative and inspiring lecture highlighting the physical, psychological, social, and economic consequences of substance abuse. The speaker also explained various preventive measures, the importance of self-discipline, and the role of youth in building a drug-free society.

Vice Prin. Dr. G. R. Patil graced the occasion. NSS Programme Officers Mr. D. P. Gawari and Mr. K. S. Gangode, along with NCC Officer Lt. Sandesh Daunde, were present for the programme. A total of 48 NSS volunteers, including 26 boys and 22 girls, along with the teaching and non-teaching staff of the college, actively participated in the guest lecture.

Outcomes

- Students became more aware of the harmful effects of addiction.
- The program encouraged students to adopt positive habits and motivated them to spread awareness about de-addiction among society.

Beneficiaries

48

Students, teaching and non-teaching faculty participating in the De-addiction program on 19th June 2026
