

## Department of Geography

### Extension Activity “Tree Plantation”

### REPORT

---

The Geography Department of Dr. Patangrao Kadam Mahavidyalaya, Ramanandnagar (Burli), organized an enriching “Tree Plantation” activity on the Kundal Jain Mandir Dongar dated on 31st August 2024. Total 55 students and 09 teachers were participated in this trek. 19 students of geography department participated in this trekking along with Assist. Prof. S. A. Maske, Assist. Prof. P. S. Koli and Assist. Prof. S. B. Kurhade.

Students and teachers provided detailed information about awareness of plantation, importance of forests and historical jain mandir.

The group started the plantation early in the morning at 7:45 am. The tree plantation held on the Kundal Jain Mandir dongar, planted different types of plants here including banyan tree, peepal, neem, bamboo, gulmohar etc. The plantation program was conducted to educate participants about importance of tree plantation, environmental conservation and sustainable living.

## Conclusion:

The plantation drive was a resounding success, promoting environmental awareness, community engagement, and sustainable practices. We look forward to building on this momentum and creating a positive impact on the environment. The students got information about various factors of Forest and they realized the importance of different types of plants in the environment. We tried to create awareness about plantation in Natural resources and environment.

## Achievements:

- All plants were successfully planted and participant ensured proper care and maintenance.
- The event saw active participation from college students and local community members.
- Raised awareness about the environmental issues and promoted sustainable practices.

## Future Plans:

- Regular follow-up visits to monitor the growth and proper care of plants.
- Expand the plantation drive to other areas.
- Support local conservation initiatives.

## Beneficiaries:

55
