Women Empowerment Committee, ICC and POSH Cell in collaboration with IQAC Organize a Program on “Gender Sensitization With A Health Lens” Wednesday, 4<sup>th</sup> Sep 2024. The program was inaugurated by chief guest Miss. Snehal Salunkhe by offering floral tribute to the founder Rayat Shikshan Sanstha's, Padmabhushan Dr. Karmaveer Bhaurao Patil and Late Shree Patangraoji Kadam.”

Miss. Snehal Salunkhe (Social Activist) discussed that gender sensitization are critical aspects of overall well-being and development in society. Women's health needs span a wide range, including reproductive health, mental health, nutrition, and hygiene, each of which plays an integral role in ensuring quality of life. Unfortunately, women across the world often face unique challenges in accessing proper healthcare, education, and hygienic facilities.

Reproductive health is one of the most important areas of concern in women's health. It encompasses a wide range of issues including menstruation,

contraception, pregnancy, childbirth, and menopause. Menstrual stigma and lack of education contribute to poor menstrual health, especially in developing countries. This can lead to infections, absenteeism in schools, and limitations in social and economic participation.

Honorable Dr.U.V.Patil (Madam) gave presidential remark where she emphasized the importance to know the women health and hygiene as need of time. Vote of thanks was delivered by Dr.G.R.Patil chairman Women Empowerment committee. Miss.NamrataKamble compeered the program.
