DEPARTMENT OF BCA
Organized
An Industrial Visit and Guest Lecture
“Career Guidance and future scope in Higher Education”
REPORT

Date: 09/03/2026

The Department of BCA organized an industrial visit to **D. Y. Patil College, Talsande** on 7th March, 2026. The main purpose of this visit was to provide students with guidance on **career opportunities and future scope in higher education**. During the visit, **Pujari Sir** along with the college faculty guided the students about various career paths available after graduation. They explained different options for higher education such as postgraduate courses, professional certifications, and emerging fields in technology and commerce. The session also focused on the importance of choosing the right career path based on students' interests, skills, and future goals.

The speakers emphasized the importance of continuous learning, skill development, and staying updated with current industry trends. Students were also guided on how to prepare for competitive exams and higher studies. The visit provided an interactive platform where students could ask questions and clear their doubts regarding career planning. It helped students gain better understanding about higher education opportunities and motivated them to plan their future effectively.

Programme Outcomes:

- Students gained awareness about career opportunities and higher education options after graduation.
- They understood the importance of choosing the right career path based on their interests and skills.
- Students learned about various postgraduate courses and professional certifications.
- The programme enhanced students' knowledge about industry expectations and current trends.
- It improved students' confidence in career planning and decision-making.

Beneficiaries: 25 Students
