REPORT ON NATIONAL SPACE DAY – 2026

The Department of Physics, Dr. Patangrao Kadam Mahavidyalaya, Ramanandnagar, Burli, organised a programme on the occasion of National Space Day – 2026 on 22 August 2026. The programme aimed to create awareness among students about space science, India's achievements in space technology, scientific research and career opportunities in the space sector.

The programme was conducted under the guidance of Prof. Dr. U. V. Patil, Principal. Dr. Gauri Patil, Head, Department of Physics, delivered the introductory remarks and highlighted the importance of space science and technology. Dr. Nade, from Dr. Patangrao Kadam Mahavidyalaya, Sanglawadi, delivered an informative lecture on space science, space exploration and India's progress in space technology.

A total of 70 students participated enthusiastically in the programme. The programme was anchored by Namrata Kamble, Assistant Professor, and the vote of thanks was proposed by Bhagyashree Jamdade Madam.

Objectives:- 1. To create awareness about space science and India's achievements in space exploration.

2. To develop scientific curiosity and scientific temper among students.

3. To motivate students towards research, innovation and careers in space science.

Outcomes: - 1. Students gained awareness about space science and India's achievements in space technology.

2. Students developed interest in scientific research and innovation.

3. Students became aware of career and higher education opportunities in space-related fields.

4. The programme enhanced scientific thinking and learning beyond the classroom.
