**One Day Workshop on  
“Cyber Security in Banking Services”  
Under University Lead College Scheme**

**Dt. 17<sup>th</sup> January, 2026.**

The Department of Economics organized a one-day workshop on “Cyber Security in Banking Services” under the Shivaji University Lead College Scheme. The workshop focused on the growing importance of cyber security in the digital banking era and the challenges faced by customers and banking institutions. The program began with a formal inaugural session. The Chairperson, Dr. Gauri Patil, delivered the presidential address and highlighted the relevance of cyber security awareness in today's digital economy. She emphasized the responsibility of educational institutions in preparing students to face real-world financial and technological challenges. Chief Guest of the workshop Mr. Arjun Pawar, Deputy Manager, Bank of Maharashtra, delivered an informative session on the Digital banking services and their evolution, Types of cyber frauds such as phishing, vishing, malware attacks and ATM frauds, Safe practices for online banking and UPI transactions and Role of banks in ensuring customer data security. Second speaker Mr. Pranit Chougule, Assistant Manager, Axis Bank, conducted an insightful session on Cyber threats in private banking systems, Security mechanisms used by banks, Customer awareness and precautionary measures and Legal and regulatory frameworks related to cyber crimes in banking

Both speakers used real-life examples and case studies, which helped participants, understand the seriousness of cyber threats and the importance of preventive measures. The interactive session encouraged students to ask questions and clarify their doubts related to online banking safety.

**Objectives of the Workshop:**

1. To create awareness about cyber security issues in banking services.
2. To educate students about digital banking, online transactions, and related cyber risks.
3. To understand common cyber frauds and preventive measures.
4. To enhance financial literacy and cyber safety awareness among students.
5. To bridge the gap between academic knowledge and practical banking operations.

The one-day workshop on “Cyber Security in Banking Services” organized by the Department of Economics, Dr. Patangrao Kadam Mahavidyalaya, Ramanandnagar (Burli), under the Shivaji University Lead College Scheme was highly successful and informative. The expert guidance of Mr. Arjun Pawar and Mr. Pranit Chougule, along with the effective chairmanship of Dr. Gauri Patil made the workshop meaningful and impactful. The program significantly contributed to enhancing students’ awareness of cyber security, digital banking and responsible financial behavior, thereby fulfilling its academic and social objectives.

The event was graced by the esteemed presence of Head of the Economics Department Mr. K. S. Gangode, Head of Commerce Department Mr. B. D. Patil, Dr. A. S. Kamble, Mr. S. R. Kundale, Dr. S. R. Bankar and staff of the college.

### Outcomes:

1. Participants gained in depth knowledge about cyber security threats in banking services.
2. Participants developed a better understanding of digital banking systems and safe financial practices.
3. Students learned precautionary measures to protect themselves from cyber frauds.
4. The program contributed to quality enhancement initiatives under the Lead College Scheme and supported NAAC criteria related to student enrichment and extension activities.
