Department of Physics

Organizes Space Day Celebration Activity

Year: 2025-26

Details of the Activity:

The Physics Department of the college, celebrated **National Space Day 2025** with great enthusiasm and zeal at 25/08/2025. The program was graced by Dr. Pradip Dubal as the Chief Guest. In his inspiring address, Dr. Dubal highlighted India's remarkable achievements in the field of space research and technology, emphasizing the importance of youth involvement in scientific exploration and innovation.

The celebration provided a platform for students to gain insights into the latest advancements in astronomy and space technology. A total of 81 students were present for the event. Principal Dr. U. V. Patil madam gave her presidential talk where she emphasized the importance of scientific thinking and innovation. Vote of thanks given by Dr. G. R. Patil (Head of Physics Department)

Outcome of the Activity:

The event became a memorable occasion, fostering scientific awareness, patriotism, and enthusiasm among the students
